

# TARGET OUTSTANDING PROJECT SAFETY AWARDS PROGRAM

# TOPS

We are excited to announce a new way to submit applications for the coveted Flags of Valor TOPS Awards. You can now submit online via the SCOAR website.

**PURPOSE:**

The SCOAR Member Safety Excellence Awards Program (TOPS) will recognize member project safety performance while also demonstrating corporate commitment to construction safety.

SCOAR solicits all member companies to participate with the goal of mining and sharing safety best safety practices with member companies for the betterment of the entire organization

The SCOAR Board of Trustees seeks to promote the prestige and honor that the Safety Excellence Awards Program (TOPS) signifies to the SCOAR community and beyond.

Applications are being accepted from now until 7/23. The awards dinner will take place at the September SCOAR meeting in Charlotte, NC.
